Call for participation

3rd PITCH DISCOVERY 2015

During the 5th Luxembourg City Film Festival, from the 26th of February until the 8th of March 2015, the 9th edition of **European Short Pitch**, organised by the European Youth Cinema Network NISI MASA, will take place in Luxembourg.

[European Short Pitch is an event combining a script rewriting workshop based on the pitch technique and a coproduction forum, making it possible to build bridges between professionals and young European creation, ensuring promotion of films across broader Europe. In 2015, Luxembourg will host the event from the 6th to the 7th of March 2015.]

3rd PITCH DISCOVERY:

Scriptwriting workshop, 28th of February until 3rd of March 2015

As a follow-up of this event, **PITCH DISCOVERY** will focus on the pitch as a rewriting principle.

What is specific about this technique? What are the pitfalls?

The fundamental notions of dramaturgy will be addressed during the 4-day free of charge workshop.

For this workshop, the festival is looking for:

10 young screenwriters from the Greater Region (Luxemburg, France, Belgium, Germany) between 18 and 35 years old who are currently writing a short film project!

Besides one-on-one meetings to get feedback, group work will be emphasised in order to analyse each script in depth. The workshop will end on a pitching session of the revised script.

The workshop will be run by **Jérôme Nunes**, producer, scriptwriter, filmmaker and co-organiser of European Short Pitch and **Frédéric Zeimet**, scriptwriter.

The participants can work in the language of their choice (English, French, German or Luxembourgish).
