# INDUSTRY DAYS IN 2021

## VR PAVILION

From 4th March to 31st May, the VR Pavilion screened an exciting selection of ambitious and award-winning 360° films and swept spectators away on an immersive journey to other worlds, all without breaking travel restrictions. An innovative VR to Go initiative developed by PHI complemented the on-site VR cinema.

Organised in partnership with Film Fund Luxembourg, PHI Centre Montreal, neimënster & Digital Luxembourg

## EUROPA INTERNATIONAL MEETS EUROPA FILM FESTIVALS

The two associations Europa International and Europa Film Festivals, vendors and festivals, met for a working session via Zoom to tackle several urgent topics facing the film industry in a post-pandemic landscape.

---

## 3'52" MAX – UPCOMING TITLES

A pitching session of twelve Luxembourg projects and co-productions in different stages of development that were recorded and made available online to festival representatives, international sales agents and distributors.
